**A bit about Diane:**

Diane Hanrahan has owned and operated South Star Training for over 15 years. She has focused her attention to the Hill country area for over 20 years. She has the uncanny ability to adapt to multiple competition arenas. Whether it be Dressage, Hunter/Jumper or Eventing. She has produced and proven National Champions within Zone 7 HJ, Area 5 USEA and Region 9 Dressage Federation. Diane approaches instruction with a classical foundation in dressage basics. She emphasizes solid basics for both horse and rider in a professional "RELAXED" manner. Diane is goal oriented and likes to help each rider reach his or her individual objectives.

Each session will be 2 hours with a 4 rider max. We will be offering this clinic for \$80 per ride or \$150 for both days. We will be offering BBQ lunch for \$10 per person . Please let me know when you make your deposit so I can have a proper head count. We will have limited stalls and turnout areas. DS Ranch sits on 9 manicured acres with a ton of amenities. A non-refundable deposit of \$50 will hold your place. The remainder to be paid by Aug. 20th. Please feel free to contact Hillary with any question regarding this clinic. Happy Trails!
