1. The Association has been organized as, and shall continue to be and remain, a nonprofit corporation under the Texas Business Organizations Code. The internal affairs of the Association shall be governed by the Articles of Incorporation of the Association, these By-Laws and to the extent not lawfully modified by the foregoing documents, the laws of the State of Texas, as all the foregoing may be modified or amended in the future.

2. The purposes of the Association shall be to have and exercise all the rights and powers conferred on nonprofit corporations under the Texas Business Organizations Code, as such law is now in effect or may at any time hereafter be amended. Notwithstanding the foregoing statement of purposes and powers, or any other provision herein to the contrary, the Association is organized for the purpose of supporting its membership and their horses with educational programs and scholarships and with horse show oversight which encourages the safety and welfare of both. No part of the net earnings of the Association shall inure to the benefit of, or be distributable to, its directors, officers or other private persons, except that the Association shall be authorized and empowered to pay reasonable compensation for services rendered and except that the Association shall be authorized and empowered to make payments and distributions as expressly permitted by other provisions of these By-Laws. No substantial part of the activities of the Association shall consist of carrying on propaganda, or otherwise attempting to influence legislation, and the Association shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of or in opposition to any candidate for public office. Notwithstanding any other provision of these By-Laws, the Association shall solely carry on activities that are permitted to be carried on by a nonprofit corporation exempt from federal income tax under the subsection of Section 501(c) of the Internal Revenue Code of 1986, as amended, or the corresponding section of any future federal tax code, under which the Internal Revenue Service from time to time approves the Association to operate. The foregoing limitations are intended, and shall be construed, to be a dedication of such assets to the accomplishment of the purposes of the Association and not to create a lien or security interest on the assets or the revenue of the Association or to limit the ability of the Association to encumber its assets and revenues. The Association shall not carry on, other than as an insubstantial part of its activities, activities that are not in furtherance of its purposes.

B. Association Mailing Address

The mailing address for all correspondence, filings, registrations, payments and any other communication to or with this Association required or permitted under these bylaws or the Rules

of this Association shall be the address from time to time posted on the Website of the Association at www.THJA.org.

C. Application for Membership

A person may become a member of the Association by submitting an application, and paying the dues then applicable to the classification of membership for which the application was made, to the Secretary of the Association. Dues must be received by THJA before the end of any show in order for that person to receive points toward Annual Awards of THJA based on the placings of that person at that show; provided, however, applications are considered effective, for points and eligibility to compete only, on the start date of a competition if (1) during that competition a completed application and the appropriate dues are received by the competition's show secretary and (2) the completed application and appropriate amount of dues are delivered by the show secretary to the Secretary of the Association as a part of the official results. The postmark of a mailed application determines the date of filing. The time stamp assigned by the THJA website (www.thja.org) determines the date of filing if it is done online.

D. Classification of Members

1. Charter members – those individuals who attended or were invited to attend the organizational meeting of the Association held in San Antonio, Texas, on the 21st day of February 1948.
2. Senior members – generally, those individuals who have reached their 18th birthday as of December 1st of the current competition year (see USEF Rule GR 101). Annual dues are \$50 for a show year.
3. Junior members – generally, those individuals who have not reached their 18th birthday as of December 1 of the current competition year (see USEF Rule GR 128, including subsections 1-4). Annual dues are \$40 for a show year.
4. Life members – those individuals who pay a single fee of \$700, or by serving as an officer of the THJA for a period of at least ten (10) consecutive years or by qualifying for Director Emeritus status under Section 3 of this Chapter. Life members are exempt from paying annual dues.

A senior member or a life member who is a senior member must at all times be and remain a partner, member, shareholder, or other form of equity owner of the entity. Lifetime farm members are exempt from paying annual dues for the duration of the existence of the entity or until no senior member or life member is a partner, member, shareholder, or other form of equity owner of the entity, whichever first occurs. Lifetime farm memberships are non-voting.
6. Life Recorded Farm/Business – A Life Recorded Farm/Business is any farm, ranch, syndicate, partnership, corporation, or business that attains life Recording upon a single payment of \$200. A Life Recorded Farm/Business shall have all the rights and privileges of membership

E. Membership Meetings

1. At any meeting of the membership of the Association, a quorum shall consist of not less than 8 senior members in good standing.

2. All voting members may act and vote by proxy on all matters coming before the membership. The form of the proxy must be approved by the Board of Directors or the Executive Committee.

3. The annual meeting of the members and Awards Banquet shall be held in January of each year on the date determined by the Executive Committee, taking into account available information on the dates for the annual meeting of the United States Equestrian Federation, Inc. The location of the annual meeting of the members and of the Awards Banquet shall be decided by the members at the preceding membership meeting. If the location is not decided upon by the members, the Executive Committee shall designate a place within the State of Texas.

F. Participation in THJA Annual Awards Program.

1. To be eligible for an entry to participate in the annual awards program conducted by THJA, all of the riders, owners, lessees, agents and trainers associated with an entry in THJA recognized shows must be members of the Association; provided, however, if an entry has multiple ownership (i.e. under more than one individual and/or entity), only one of the owners must be a member.

2. Non-members of the Association are not entitled to any privileges of membership in the Association.

3. [Intentionally left blank]

4. The official horse show managers and the official horse show secretaries of THJA recognized shows must be members of THJA. Any person found to be in violation of this membership requirement at a THJA recognized show that commences on or after December 1, 2013, must pay a fine of \$100 per violation with each horse show being a separate violation.

5. In order for the placings of an entry in a THJA recognized show to be eligible to be included in the calculation of that entry's points for an annual award, all riders, owners, lessees, agents and trainers associated with that entry must make available to the Show Secretary a valid

and effective THJA membership card or a THJA membership number that can be verified to be valid and effective.

6. A member failing to settle his/her indebtedness resulting from non-payment of fees, fines, or for services rendered by the Association shall lose all membership privileges until the debt is paid. Payment must be made within 30 days.

Section 2: Directors

A. Powers of Board of Directors.

The affairs of the Association shall be under the general supervision and control of a Board of seventeen (17) Directors, all of whom shall be senior members of the Association. All members of the THJA Board shall be members of the USEF and the USHJA.

1. Directors holding places 1, 4, 7, 10, 13, and 16 shall be elected in 1952 and every three years thereafter. Directors holding places 2, 5, 8, 11, 14, and 17 shall be elected in 1953 and every three years thereafter. Directors holding places 3, 6, 9, 12, and 15 shall be elected in 1954 and every three years thereafter. Except in the case of a director elected by the Board to fill a vacancy, each director shall take office at the regular annual meeting next following his/her election; he/she shall hold office three years and until his/her successor is duly elected and qualified.

2. Conflicts of interest occur when the Association's board members are in a position to influence a decision on policy or rules where they might directly or indirectly receive benefits or give improper advantage to certain members.

The standard of behavior at the Association is that all board members scrupulously avoid conflicts of interest between the interests of the Association on one hand, and personal, professional, and business interests on the other. This includes avoiding potential and actual conflicts of interest, as well as perceptions of conflicts of interest.

It is understood that the purposes of this policy are to protect the integrity of the Association's decision-making process, to enable our constituencies to have confidence in our integrity, and to protect the integrity and reputations of our board members.

To keep the board of directors as diverse as possible, no members may have a familial, or business relationship. If this occurs during the term of a board member, one of the board members may not stand for reelection at the end of their term to remove the conflict.

In the course of meetings or activities, the board members will disclose any interests in a transaction or decision where they (including their business or other nonprofit affiliations), their family and/or their significant other, employer, or close associates will receive benefit or gain. After disclosure, they understand that they will be asked to leave the room for the discussion and will not be permitted to vote on the question.

3. Beginning in 2020, two juniors who are 16 years of age or younger shall be elected by the junior membership to serve as Junior Advisory Directors. Each Junior Advisory Director

shall hold office for two years and until his/her successor shall be duly elected and qualified, shall attend all meetings of the Board of Directors, shall have no vote at such meetings, shall not be included for the purpose of establishing a quorum, and may not be re-elected at the expiration of his/her term.

B. Zones of Representation

To better secure proportionate representation on the Board, the State of Texas shall be divided into 3 zones, based on the Fort Worth-Dallas, the San Antonio-Austin, and the Houston centers of hunter jumper horse activity. The Fort Worth-Dallas area, to be known as the Northern Zone, shall include members of this Association and hunter jumper horse activity in and adjacent to the two cities last named and also those located closer to one of said cities than to any other city named in this section. The San Antonio-Austin area, to be known as the Central Zone, shall include members of this Association and hunter jumper horse activity in and adjacent to the two cities last named above, and also those located closer to San Antonio or Austin than to any other city named in this section. The Houston area, to be known as the Southern Zone, shall include members of this Association and hunter jumper horse activity in and adjacent to Houston and also those located closer to Houston than to Fort Worth, Dallas, Austin, San Antonio, and Waco.

C. Nomination and Election of Directors

1. By April 1st of each year, the President shall appoint, and submit for publication, a Nominating Committee, composed of three senior members of the Association who, respectively, are current residents of the three above named zones. The Nominating Committee shall select one or more nominees for each of the directorships to be filled for the following year, including vacant positions referred to them by the Board of Directors. Board positions 1 through 6 are designated Zone Directorships, in order that at least one directorship to be filled each year shall be limited to nominees from the Northern Zone, one to nominees from the Central Zone, and one to nominees from the Southern Zone.

2. The Nominating Committee shall report its nominations to the President no later than August 27th and thereupon the Nominating Committee's slate of nominees shall be sent to each member of the Association. Senior members of the Association may designate one or more additional nominees, either for a Zone Directorship or a Directorship at Large, by obtaining signatures representing twenty (20) votes for any such nomination. Only members with the right under these By-Laws to vote shall be eligible to sign any such nomination. All such nominations from the members must designate the position for which the nominee is proposed, shall be mailed to the Secretary, and must be received on or before November 1st in order to be considered in the election held for that year.

3. Immediately after November 1st, ballots shall be made up by the Secretary and sent to each member of the Association, together with notice of the time and place of the election. All such ballots shall be sent to members of the Association at least two weeks prior to the announced election date. Such ballots shall be signed and only those who have paid dues for the current year will be permitted to vote; however, a check for such dues may accompany the ballot.

Each member may vote for one nominee for each place, i.e., for one of the nominees for each of the Zone Directorships and for one of the nominees for each of the Directorships at Large places.

4. The election of Directors shall be completed and a Directors' meeting, including the newly elected Directors, shall be held at the same time as Texas Hunter and Jumper Association Annual Awards Banquet.

D. Meetings of Directors

1. Annual Meeting – the regular annual meeting of the Board of Directors will be held without special notice on the same date as the Texas Hunter and Jumper Association Annual Banquet. At such time, the Board of Directors shall elect officers of the Association for the ensuing year, transact other necessary and proper business of the Association, consider and act upon amendments to the By-Laws, consider and act upon amendments to the Rules necessary in order to clarify existing rules, remedy existing inequities in the rules, and conform THJA rules to newly enacted or explained rules of United States Equestrian Federation, Inc. Except under extraordinary circumstances, new divisions, sections, specifications, and awards shall not be instituted at this meeting, although committee reports and discussion of such proposals are in order.

2. Rules Meeting – the regular rules meeting of the Board of Directors shall be held, after a minimum of fifteen days written notice, at a time between April 1st and October 1st of each year and in a location selected by the Executive Committee. If the rules meeting is to be held in conjunction with a horse show, a private meeting room shall be obtained for the meeting. At such meetings, the Board of Directors shall consider and act upon rule changes proposed to become effective for the following show year and other matters placed on the agenda by order of the President.

3. Special Meetings -- special meetings of the Board of Directors may be called by the President or Vice President and shall be called at the written request of any five Directors. Special meetings shall be called by giving at least twenty-four hours' notice by mail or email addressed to the residence or place of business of each Director as shown by the Association's records. Such a notice will be sufficient whether or not actually received. Notice of a special meeting may also be given by the Secretary, or anyone designated by him or her, by personal delivery of the notice to the Directors not less than 24 hours prior to the time of the meeting.

4. Members of the Board of Directors may participate in any meeting of the Board of Directors, except the Annual Meeting, by telephonic or electronic means, if the Director is outside the county where the meeting is being held and if all Directors participating in the meeting by any means can hear and speak to all other Directors simultaneously. Participation in a meeting pursuant to this Paragraph 4 constitutes presence in person at such meeting.

5. Members of the Board of Directors may act and vote by proxy on all matters coming before the Board, except at the Annual Meeting. The form of the proxy must be approved by the Board of Directors or the Executive Committee. Once approved, the Board Member may act and vote by proxy and be considered as "present" for the purpose of establishing a quorum.

E. Maintenance of Director's Eligibility

In order to maintain his/her eligibility to serve on the Board of Directors, each member:

1. must participate as a member of at least one THJA committee (standing or otherwise);
and
2. must either attend at least two of the three meetings of the Board of Directors annually, or be excused from attending at least two of the meetings of the Board of Directors annually by majority vote of the Board of Directors held at the meeting at which a member of the Board of Directors is not present. If the Board of Directors cannot determine whether the absence of a member at a meeting of the Board of Directors should be excused or unexcused, the determination must be referred to the Executive Committee for its determination of that question, which determination shall be final. Upon any determination of the question by the Executive Committee, the President shall report the decision to the full Board of Directors.

F. Vacancies

Vacancies on the Board of Directors shall be filled by the remaining Directors choosing from among the senior members a Director to fill the unexpired term; provided, however, that the Board of Directors may at its option defer the selection of a new Director until the next regular election and refer the choice of candidates to the Nominating Committee. A Director who does not pay his/her dues to THJA by the time of the annual Directors' meeting shall be considered to have resigned from the Board of Directors. The Board of Directors may declare vacant the place of a Director who misses two consecutive meetings of the Board of Directors without an excuse acceptable to the Directors.

G. Quorum

Eight (8) Directors shall constitute a quorum, EXCEPT that at the regular annual Directors' meeting, due notice thereof having been given, the Directors attending shall constitute a quorum regardless of number.

H. Duties

1. The Board of Directors shall exercise all such powers and do all such lawful acts and things that are directed by these By-Laws or required to be exercised or done by the members.
2. The Board of Directors shall make, publish, and enforce rules and regulations governing recognized Shows, Association members, and all other persons subject to Association regulation.
3. Subject to the requirements of THJA Rules concerning retroactivity, provided all Directors unanimously consent to a vote by written ballot, the Directors may act upon an issue by simple majority via a mailed written ballot without a formal meeting.

I. [Reserved for Future Expansion]

J. Liability

To the extent permitted by applicable law, no present or future Director of the Association shall be personally liable to the corporation or its members for monetary damages for conduct as a Director, and the Association shall indemnify and defend any and all present and future Directors, to the fullest degree permitted under the laws of Texas, to the extent of all amounts in excess of amounts paid by any insurance.

Section 3: Director Emeritus

In addition to the Directors defined in these By-Laws, the Association shall have a class of Directors known as "Director Emeritus." The number of Directors Emeritus shall be determined by the Directors from time to time.

B. Eligibility

There shall be two eligibility standards for Directors Emeritus:

1. Election by the Board. The Board of Directors, after notice as required for Special Meetings, may elect any person as a Director Emeritus who, prior to Election, has served a full one year term as an officer or Executive Committee member, or was an original Director, and served as a Director for fifteen (15) full years, except that a person who has served as President for one or more years is eligible after serving as Director for ten (10) full years.
2. Optional. Any person shall at his option become a Director Emeritus upon notice by him/her in writing to the President to that effect who meets the requirements of B(1) above enlarged by an additional five (5) years as a Director.

C. Nominating Committee Functions

The Nominating Committee appointed each year by the President to nominate Directors shall ascertain whether any Director whose term is expiring in the subject year is eligible to become a Director Emeritus automatically. The Committee shall inquire of such Director whether he/she prefers to become a Director Emeritus or to be nominated as a regular Director, if the Committee's nominating choice is in accord.

D. Duties and Privileges

A Director Emeritus shall possess all of the duties and privileges of a Texas Hunter and Jumper Association member and Director except only as follows:

1. 2. As a member, he/she shall be a lifetime member and not obligated to pay dues of any kind or amount.

E. Tenure, Letterhead, etc.

A Director Emeritus shall be entitled to serve as such for life, but may resign by written notice to the President or Board of Directors. Any Texas Hunter and Jumper Association printed matter, which reflects the names of Directors, shall also reflect the names of Directors Emeritus and indicate them as such in a suitable manner. A suitable plaque shall be presented to a Director Emeritus at the Annual Awards Banquet occurring next after he/she becomes a Director Emeritus.

F. Posthumous Considerations

For five years following the death of a Director Emeritus his/her name shall continue to be printed as provided in D above, except that the years of his/her life span shall be shown next to his/her name so as to indicate that he/she is deceased. The Board at any time may designate any deceased Director or former Director as though he/she had been a Director Emeritus at the time of death, so that printed material will reflect that status accordingly.

RULES AND REGULATIONS

CHAPTER TWO

RECOGNIZED SHOWS

Section 1: Approval and Ratings of Shows

A. Applicability of USEF Rules

1. The Association and its members shall generally be governed by the current rules of United States Equestrian Federation, Inc. (USEF) insofar as classifications, specifications of performance and judging, and eligibility and qualifications for the showing of hunters and jumpers unless the same are in conflict with, or differ from, the current rules and regulations of the Texas Hunter and Jumper Association. The term "show" as used in these Rules includes any organized competitive equestrian activity that THJA has declared to be recognized for the purpose of including the results of the performances at that activity in determining the recipients of its annual awards. The term "Show" (capitalized) as used in these Rules means show manager and/or management company and/or authorized agent responsible for compliance with these Rules.

2. The rules applicable to all shows recognized by the Texas Hunter and Jumper Association shall be the current rules of the USEF.

Incomplete applications will not be considered. It is the Show's responsibility to determine from the Treasurer or other designated person whether its application is complete.

2. The minimum number of classes required for a show to be recognized by the Texas Hunter and Jumper Association are:

a. A show may be recognized if it offers at least four (4) unlimited classes in any one division in which an annual THJA championship is offered.

3. The holding of a THJA recognized show in a previous year at which THJA "A" rated divisions were offered does not guarantee that the show's application will be accepted for THJA "A" rated divisions in the next, or any subsequent, year.

4. The Board of Directors shall determine which applications are accepted from among the complete applications received based on the following criteria:

The balance of the recognition fees must be paid by the fifth (5th) day following the last day of the show. THJA will not send a bill or other notice of obligation for the remainder of the show fees. Any Show that fails to timely pay the balance of the recognition fees will be fined \$250, which shall be due and payable by the Show upon demand by the Association.

6. All approved shows and their ratings will be posted on the THJA website.

Section 2: Rating of Division or Section.

A. Ratings of Shows.

Unless the Executive Committee permits a lower USEF rating under the conditions stated below in this rule, the THJA recognition and rating of a show shall be the same as the USEF rating obtained by that show. The Executive Committee may also grant THJA "AA," "A" or "B" recognition and rating to a show under the following circumstances: (a) the sole reason the show cannot obtain the USEF recognition and rating is because its proximity to an existing USEF recognized show prevents obtaining that USEF recognition and rating; (b) the existing USEF show is not recognized and rated by THJA; (c) the show obtains the highest USEF recognition and rating possible under USEF rules, but as a minimum, the show must be recognized and rated "C" by USEF; (d) the show management certifies to THJA that no one has or will be permitted to have any financial interest in, or any responsibility for, both shows; (e) the Show agrees with THJA in writing to comply with any special rules or limitations that the Executive Committee may impose as a condition to granting such recognition and rating; and (f) the Executive Committee finds that the recognition and rating of the show will be in the best interests of THJA members in general.

B. Ratings of Division or Section.

The THJA ratings for each division and section shall be the same rating for that division or section as applicable under USEF Rules. If a division or section at a THJA recognized show does not have a rating from USEF, then THJA annual award ratings at that show for the sections of Children's and Adult Amateur Hunter divisions, for Children's Hunter Pony divisions, for Modified Adult Hunter, Modified Children's Hunter and for Children's and Adult Amateur Jumper divisions or sections will be determined according to the following: The Children's Hunter and Children's Modified Hunter will be rated like the Junior Hunter division; the Adult Amateur Hunter and Modified Adult Hunter like the Amateur Owner Hunter division; the Children's Hunter Pony divisions like the Hunter Pony divisions; and the Children's Jumper and the Adult Amateur Jumper according to USEF Rule GR 1133.2.

CHAPTER SIX

REGISTRATION OF HORSES

Section 1: Application Procedure.

- A. THJA Horse Registration Application.

Registration is made by completing a “THJA Horse Registration Application” form and submitting it with the appropriate registration fee to the Association. Registration of a horse or pony is a registration of the horse or pony for its life; however, a change in name or in ownership of a horse or pony requires compliance with Section 2 below.

- B. THJA Horse Registration Fee.

The fee to register a horse or pony with the Association is \$45.

- C. Sources for a Horse Registration Application Form.

The application form to register a horse or pony with the Association may be obtained from:

- 1. The Association;
- 2. a current prize list published by a THJA recognized show;
- 3. at a THJA recognized show; and
- 4. on the THJA website at www.thja.org.

D. Effective Time of Registration

In order to receive points for a horse or pony, the horse or pony must be registered and the appropriate fees must be paid before the end of the horse show or at the horse show.

Registrations submitted at a THJA recognized horse show are considered effective, for points and eligibility to compete only, on the start date of a horse show if (1) during that competition a completed registration form and the appropriate fees are received by the competition's show secretary and (2) the completed registration form and appropriate amount of dues are delivered by the show secretary to the Association as a part of the official results. The postmark determines the date of registration, if the completed registration form and appropriate fees are mailed to the Secretary of the Association. The time stamp assigned by the Association's website determines the date of registration if the completed registration form and payment of the appropriate fees are submitted to the Association online.

A horse's membership may be made retroactive to cover bad points earned at a THJA recognized show so long as all membership dues and horse registration fees are received by the THJA Secretary within ten (10) days of the Association sending notification of bad points earned.

Section 2: Change of Name and Ownership

A. Change of Ownership or Name of Registered Horse or Pony.

The Association must be notified in writing of any change in the ownership of the horse or if the owner decides to change the horse's name. A horse registration application must be filed with, and the appropriate fee paid to, THJA. The fee for recording a name change is \$15.00 and the fee for recording a change in ownership of a registered horse or pony is \$30.00; provided that the first transfer of ownership of a registered horse or pony by the owner to either a lifetime farm member or an annual farm member of which the transferring owner is at least one of the partners, members, shareholders or other equity owners, shall be without charge.

B. Leased Horses and Ponies.

A THJA registered horse or pony that is leased to a member of THJA must be registered under the name of the lessee and the applicable fee paid to the Association in order for points awarded in classes that differentiate among horse/rider combinations to be counted toward an Annual Award for the lessee. The applicable fee is \$30.00. If registration of the horse or pony by the lessee has not occurred at the time of the performance, no THJA points for placings in classes will count for that horse/rider combination. For Annual Awards based on the horse/rider combination, the lessee is deemed to be the owner of the horse for the period of the lease. A copy of the lease signed by the owner and the lessee which contains a start and an ending date of the lease must be provided to the Association when registration with THJA is requested.

Section 3: Points for Annual Awards

A. Benefit of Registering Horse or Pony.

No points will be credited to a horse toward THJA Annual Awards unless the horse is registered. An unregistered horse may be shown in any show, but the points won by the horse will not be

counted toward THJA annual awards. Points are recorded by the horse's THJA Registration Number.

B. Owner's Obligations Regarding THJA Registration and USEF Recording of Horses and Ponies.

In order to garner points toward THJA Annual Awards, a horse or pony must be registered with THJA with the same name/owner combination as recorded with the USEF, if the horse is recorded with USEF. It is the responsibility of the owner to ascertain whether the horse or pony is registered with THJA and/or recorded by USEF.

A. Points for Annual Awards.

Provided the Bylaws, Rules, and Regulations of the Texas Hunter and Jumper Association are complied with, the rules governing yearly championships and the awarding of championship trophies are:

1. Only points or money won in THJA recognized shows shall count.
2. Jumpers: In the Open Jumper Division, Annual Awards are based upon money winnings during the show year which are determined by the current USEF Rules. In the Amateur Owner Jumper and Junior Jumper Divisions, Annual Awards are based upon money winnings during the show year, determined under the current USEF Rules, in classes or divisions restricted to such entries. In all other divisions (e.g. Children's and Adult Jumpers), awards are based upon points determined from the appropriate tables and rules of the current USEF Rule Book.
3. Hunters: In all divisions and sections of hunter classes, awards are based upon points determined from the appropriate tables and rules of the current USEF Rule Book.
4. Equitation: In all equitation classes, awards are based upon points determined from the Hunter/Jumping Seat Equitation Increment Chart found in the USEF Rule Book (See GR1131.13). Section champions will be awarded 2.0 times the total 1st place point value. Section reserve champions will be awarded 1.2 times the total 1st place value.
5. Hunter Breeding: In all Hunter Breeding classes, awards are based upon points determined from the appropriate tables and rules of the current USEF Rule Book. THJA annual championship and reserve championship awards shall be awarded to the two horses accumulating the greatest number of points in Yearling, Two-Year-Old and Three-Year-Old classes held during the show year. Recognition and awards will also be made in each of these classes for up to places three through six.
6. Bonus Points:

a. Bonus points are awarded to each placing through eight in a THJA Recognized Classic, a Junior/Amateur Owner, Pony, Children's and Adult Amateur and Modified Children's/Adult Amateur Hunter Classic, a USHJA International Hunter Derby, and a USHJA National Hunter Derby.

b. The number of bonus points awarded for each placing is determined by USEF Rule HU173 for Classics, other than a USHJA International Hunter Derby or a USHJA National Hunter Derby, for which bonus points will be awarded according to USEF Rule HU166 (for USHJA International Hunter Derby) and USEF Rule HU167 (for USHJA National Hunter Derby).

c. Children's/Adult Amateur Hunter Classic – to qualify for bonus points, a Classic must meet the conditions required of a USEF Hunter Classic (USEF Rule HU 173), except as follows:

(1) No minimum prize money is required.

(2) The height of the first obstacle not to exceed 3'.

The height of all other obstacles not to exceed 3'3".

d. In these Classics, only the bonus points listed in the USEF increment chart (HU 146) are awarded for placings. If a Classic is offered combining divisions and a horse is shown in more than one section qualifying for the Classic, the exhibitor must declare to the Show Secretary prior to the Classic to which division the bonus points are to be counted. If no declaration is made, no bonus points will be awarded. No points will be awarded for placings in a Children's/Adult Hunter Classic if the cross-entry rules of the Classic prohibit the rider from showing in classes for which he/she is otherwise eligible at the same show.

7. The THJA point-keeping year coincides with that of USEF.

B. Minimum Classes Required for Annual Awards in Division/Section

In order to qualify for annual championship awards, any division must have at least nine (9) classes offered, held, and judged during the point year.

No points will be credited before membership dues and horse registration fees have been received by the THJA Secretary. A horse or rider's membership may be made retroactive to cover bad points earned at a THJA recognized show so long as all membership dues and horse registration fees are received by the THJA Secretary within ten (10) days of the Association sending notification of bad points earned. For points to be counted, each exhibitor must make available to the Show Secretary the THJA registration and membership numbers of all horses, owners, and riders.

B. Membership Year.

The THJA membership year commences on December 1 of each year, dues become payable on that date, and memberships expire the following November 30.

Certified papers shall be kept by the Association and shall constitute the sole basis for computing scores. The score of each member and registered horse shall be figured from these papers and shall be tabulated by an individual or firm knowledgeable in the current USEF Rule Book. The Association shall then verify these results as correct. Exhibitors are responsible for contacting THJA in the event of disagreement as to the points.

B. Publication of Standings.

To the extent feasible, running scores will be kept and the trophies will be awarded at the Annual Awards Banquet each year.
